

# SEDIMENT CONTROL

Temporary

## Erosion EEL™ – Sediment Control Device

Use Erosion EEL™ to replace silt fence, rock check dams, temporary diversion berms, and stormwater inlet protection.

- Available in 9.5" x 10' and 9.5" x 4.5'
- Woven polypropylene geotextile exterior filled with washed shredded rubber (metal removed)
- DOT approved in many states
- Easy installation with no trenching required
- Durable, reusable, and easily moved, making Erosion EEL™ cost effective when compared to silt fence and other BMPs
- Made from recyclable materials
